

GREAT NEWS!

The New Providence High School Marching Band has its 17th Annual Band Night on Friday, October 10th. If the weather is inclement, we have a rain date of Friday, October 17th.

All Middle School and High School students interested in participating in the Marching Band in Fall 2026 and/or 2027 are invited and encouraged to attend this fantastic and fun opportunity. This includes any student who plays a band instrument, is interested in playing a band instrument, or would like to join Color Guard. Participation in this event does not obligate you to participate once you are eligible.

Students will:

March to and from Lieder Field with the HS Marching Band

Attend, free of charge, as guests of the High School Marching Band, the home football game on October 10th, as NPHS battles Verona HS.

Sit with the HS Marching Band and play stands music during the game if you are an instrumentalist, and cheer and enjoy the game if you are not an instrumentalist. (String Students will not play stands music)

Watch the HS Marching Band perform their 2025 Field Show – “The Sky Above” AND see our Senior Recognition Ceremony after the performance.

Enjoy snacks and refreshments after halftime with the HS Marching Band courtesy of the Band Parents Association, known as “The NPHS Bandwagon.” This is done OUTDOORS on West Field, which is adjacent to Lieder Field
(If you have a food allergy, we would suggest bringing your own snacks to be safe.)

You only need to wear pioneer green tops and khaki pants (or something similar), depending on the weather, and bring your instrument if you are playing brass or woodwind! Percussionists—we will provide drums and/or percussion equipment for you. Marching in with the HS Marching Band will gain you entry to Lieder Field.

If you think you would like to attend, please complete this survey [HERE](#)

The approximate schedule for the evening is on the next page.
