

Joining VoiceBox

*Hello – and big thanks for your interest in **VoiceBox**!*

Here's a bit more information about it.

What is **VoiceBox**?

VoiceBox is an international youth-led organisation whose mission is to amplify the voices of young people around the world.

Our youth content platform is built to help young creators **thrive**. We believe that sharing thoughtful, high-quality content is deserving of pay even if your audience isn't 10,000 strong. We believe that your content shouldn't be drowned out by noise, fluff, hate, or ads, and so you'll only find content that has been curated and edited by our team.

We make sure young people have an **equal seat** at the table. Creatively, politically and commercially.

Becoming a **VoiceBox Ambassador**

Our Ambassadors help us with various projects. This might include research, informal discussions, focus groups, social media and creative tasks. **All opportunities are optional**, so you can participate in as many or as few as you like.

If you are interested in joining VoiceBox as an Ambassador please visit our [Ambassador Page](#).

I want to make **content**. What happens next?

We are always looking for people to **make great content** for **VoiceBox**. By *content* we don't just mean written stuff. Blogs and articles are very welcome – but we also want to see videos, music, graphic design, comics, poems... You tell us.

And we don't just mean serious issues – a mix of content is always welcome. What do you care about? What interests you? Do you have a perspective or experience that other people might be interested in or entertained by?

We are big believers in paying young people for their work, so for each piece published we pay a flat rate of £20.

Submitting to **VoiceBox** just takes just a few easy steps.
