Supplies:

- Your sewing machine - I know it can be cumbersome however, we can troubleshoot your machine and make sure you understand the adjustments, Don't forget your power cord, foot pedal, bobbins and thread.
- Quilting or darning foot for your machine. The ruler class will require a ruler foot (thicker than the normal quilting or darning foot)
- Marking pen - ie frixion or blue quilt marker
- 90/14 quilting or topstitch needles
- Quilting gloves
- Small pair snips/scissors
- Sew Steady Table or the slide on table that came with your machine.
- Supreme Slider... this is optional, but makes it so much easier to quilt!
- Notebook, paper, pen, and your best attitude. We will have fun!!

Before Class:

- Make 2 to 4 quilt "sandwich's" of muslin (or solid fabric), batting then muslin again, approx. 18" X 21" (2 fat quarters work well). Spray baste together.
- Find some quilty inspiration to share with the class.
