Snacks:

In the IDS program, we give our students a snack at the end of the day. Hamilton County does not provide this, therefore, we rely on the classroom parents to contribute what they can to provide students snacks. Hamilton County does provide juice for snacks and we have cups for water. If you prefer your child to drink something different, you can send a water bottle with them to school (be sure to label). We encourage parents and caregivers to send enough snacks to share with class (10 students). If all 10 students bring enough snacks to share, then we can usually make it last for several months without having to ask for additional contribution. We ask that you not send sugary snacks/candy. Ideal snacks items include, but are not limited to (name brand does not matter):

- Goldfish
- Fruit Gummies
- Cheese Balls
- Graham Crackers
- Veggie Sticks
- Cheese Its
- Pretzels

Items do not have to be individually wrapped. Boxes/containers are fine. **We greatly appreciate your support and contributions to make our classroom great!**
