

Daily Highlights

Week of February 9

Monday

- This morning we shared Weekend News and did a Heggerty lesson. We continued work with Gg and did our Sound Journals and some math work with the number 10. Mrs MacNeil (District Literacy support person), did some DIBELS literacy assessment one-on-one with students today. We had a choosing day with Math Bins and had our third round with new Centers in the afternoon. Percy, Olivia and Cash did a great job with their Rhyming Bag Sharing 😊

Tuesday

- Ms Pinkson was in the class for part of the day when Mrs Brulotte had some morning appointments. The class worked on a rhyming cut & paste and a number review with tallies and ten frames. In the afternoon, we had Number Corner, a Todd Parr story about families and a choosing day with our new centers.

Wednesday

- Today we began to learn about the letter Oo. We talked about how it is a vowel and has two sounds (long and short). We did some more rhyming work, had 3 more students share their rhyming bags and had time in the library with Mrs Hulme (as Ms Hanlon is away for the week). We began to talk about the Olympics and many student chose to do the Olympic Writing Around the Room. In the afternoon we watched a Canada Crew episode and a short episode about Winter Olympics. We had Number Corner and another choosing day at center time.

Thursday

- Today we learned some new literacy games including letter/sound POP!, word twisters and word sliders. We read a fun "guess the rhyme" book and four more friends did Rhyming Bag Sharing. We did some math work, made owl Valentine bags and had some great movement song breaks. In the afternoon we did Number Corner, a story, and another choosing day at Centers.

Friday

• We had a quiet day as many friends are away sick from our class and several classes in the school were on a group field trip. In the morning we read some Valentine's stories, practiced blending words and reading simple pattern sentences with special reading rocks, and did salt tray spelling. We worked in our math duotangs and spent time in the library with Mrs Bakker. In the afternoon, we handed out our Valentines and enjoyed a special treat from Cash. We had a choosing day at centers.

Happy Family Day Weekend 😊
