

Geography Jobs of Google Slides:

Instructions:

Research online and find 5 jobs that are connected to the study of Geography. Each job should have its own slide. Make sure to include the following for each job:

1. Name of Job
2. Salary / Pay
3. Duties / Responsibilities
4. Where in Canada?
5. Picture with caption

Application response: Once your 5 slides are completed, add another slide and answer the following question:

“Of all of these jobs, which one are you the most interested in? Explain Why. (You may also explain why some of the jobs might not interest you).

| Criteria | NE | L1 | L2 | L3 | L4 |
|---------------------------------|----------------|-------------------------|------------------------------------|--|---|
| Research of jobs in Canada (A1) | -not completed | -limited | -some | -considerable | -exceptional |
| Application response (C3) | -not completed | Response gives 1 reason | Response only gives a few reasons. | -Response gives a good amount of reasons | -Response is thorough -gives numerous and well explained reasons |
