6<sup>th</sup> April 2023

Dear all,

Happy Easter! As we continue to prepare for association day and cherish our theme of "Eternal Truth . . . changing the universe" (SH 225), we wanted to celebrate with you one of the moments where Truth most changed the universe: Jesus' resurrection.

Our Easter gift to you is to share our teacher's article, "[Christ is risen!](#)" In it, Fenella writes,

"Thanks to Jesus' indescribable sacrifice of love, we know that death is not the end of life. We know that there is nothing to fear, for the love of Christ is present here and hereafter. We know that his peace is with those who have gone on, as well as with those whose work is still here. Christ's peace reflects the permanent and eternal oneness of God and His beloved idea, man, which is untouched by any aspect of mortality. In reality, we can never be separated from the love of God—now or ever."

We're so looking forward to seeing you on Saturday 22<sup>nd</sup> April for our Association Day. Please arrive **before 9.20am**. Please also let Nina know via [nina.associationfb@gmail.com](mailto:nina.associationfb@gmail.com) if you are planning to attend our meeting by Zoom so that we can adjust the catering arrangements accordingly. A separate letter is being sent to all our members who have asked to attend via Zoom giving the sign in details.

Please send in your Fruit Basket submissions to Nina if you haven't already done so.

Please also let Shirley Tarboton know by **Monday 10<sup>th</sup> April** about your sandwich preferences.

Our Association is a reminder of our love for God, Christian Science, Mary Baker Eddy, Fenella, the world, and all mankind. We are all healers marching through the world, "With a bright and warming flame . . . not to preach mere creed or custom, but to prove God's loving care" (Hymn 439). We encourage communication with all members, and we are a phone call, text, or email away. "Let the love of Christ shine bright" (Hymn 589).

With love,

Your Executive Committee

Robert Witney, David Carico, and Antoinette Dove
