Dear Scandia Families,

The Forest Lake School District is fortunate to have some special programs available to help children and families in need. Some of these programs are consistently available to those who qualify, some programs are new, some are only available once, and some have limited availability. Below is a list of the support programs that may be available this year to help families in need. If you're interested in any of these resources, please complete the information below and return to school, you will be contacted if the program you are interested in becomes available this year.
