

This game is developed by Reward Bank for entertainment purposes and Your trust is most important to us. We have built this game to be enjoyable without compromising your privacy.

No Personal Data Collected

We do not gather, access, or request any personal or device-related information. You can play freely without sharing anything with us.

No External Services Used

This game is entirely self-contained. There are no ads, trackers, or third-party services involved, so your data never leaves your device.

No Information Stored

Since we don't collect data, there's nothing stored. No accounts, no logs, no background tracking—just gameplay.

Privacy is Fully Preserved

Because we don't handle any user information, your privacy is completely safeguarded. There's no risk of data misuse or exposure.

For Young Users

Our game isn't designed for children under 13, and we don't knowingly collect information from them. For concerns, feel free to contact us.

Policy Updates

We may revise this Privacy Policy from time to time. Any changes will be posted here. Continued use of the game means you accept the latest version.
