CROWESN

[Image by [Tiefling Maker - Crowesn](#)]

- ▣ Very gentletroll, very demure
 - ▣ I need to pay? /gen
 - ▣ Gold on clothes galore

Your name is **HEAUME BREERS** and you inherited your **ROYAL** status from your **ANCESTOR**, now you're aiming to create a **FIEFDOM** that your **ANCESTOR** would be proud of. Aside from your **ECCENTRIC** gold-decorated clothing, you're actually **DOWN TO ALTERNIA**, rather **POLITE** to everyone around you even towards the lowbloods, and **GENEROUS** to trolls in need of extra cash. Despite all that, you can be **STRICT**, **BLUNT**, and rather **CRUEL** to trolls who decide that it's a good idea to trick or even use your generosity to break the law. You have a bunch of hobbies such as: **STUDYING TROLL-ANTHROPOLOGY**, **WATCHING B-RATED MOVIES**, **PLAYING CHECKERS**, and **READING HORROR NOVELS**.

You used to live up on **GULCHSCOURGE** until you were a Perigee away from being 6 Sweeps old and moved to your **ANCESTOR's** mansion-hive at **RIPSLAG** after feeling like living on land isn't exactly your style. You do miss having to see midblood and lowblood everywhere ever since you moved and occasionally take trips back to your old hivetown whenever you're not busy. One thing that makes you stand out is that you always bring your **MATESPRIT** almost everywhere with you to the point you have to clarify that the love of your fishy life isn't a servant.

Your Trolltag is **goeticAristocrat**, and ▶ unless you're feeling frustrated, you type in a f^orma^l and p^olite attitude. ◀

Entry Moves

DIVINE RIGHT OF FISH

[Violet] **[Passive]** **[Unlock: Royal]**

All Violetbloods are nobility. Of course, that's true. But YOU do not squander the land granted to you by the empire, instead crafting your own perfect kingdom. One day, you'll rule planets, so this is a good start! You are **[Talented]** at **+APP**. You own a **FIEFDOM**, a swathe of land that is yours for the developing. Name

your **FIEFDOM**, probably some bullshit like THE CHURNING DEPTHS or THE GRAVEL WASTES, and a title for yourself like ECTODUKE or MISERYPRINCE. You start play with 5 **LUX**, which you can only use on **Hivecrafting** upgrades. These upgrades can either be in the form of upgrades to your hive, or entirely new buildings for your **FIEFDOM** (That is no mere FOODBLOCK! That's a 5 Shell RESTAURANT!). Track how much **LUX** you spend on your **FIEFDOM**; you gain the following abilities as your **FIEFDOM** expands.

~~0 **LUX**: Spend your fucking **LUX**.~~

5 **LUX**: Alright, you've got the start of a kingdom going on here. But now, you need to figure out what kind! Select an option; you gain the [Entry] move for that tree; you are **[Talented]** only at moves from this tree, rather than the entire stat it would give **[Talent]** in.

ARISTOCRACY: (Marquis Cerulean) Keeping it traditional, babes!

~~**PLUTOCRACY**: (Gambligant Cerulean) Money makes THIS nation go round!~~

~~**STRATOCRACY**: (Paladin Indigo) Raise a sword, and CONQUER!~~

~~**TECHNOCRACY**: (Inventor Indigo) The future is TODAY in this fiefdom!~~

~~**MAGOCRACY**: (Esotericist Purple; only 1 option) Yeah, this is basically an evil wizard kingdom.~~

~~**WHIMSICRACY**: (Circusfolk Purple, Magician only) A magical, whimsical land that's yours to rule!~~

20 **LUX**: Looking good! You gain access to a **[Basic]** move from your -CRACY tree!

50 **LUX**: Now THIS is a kingdom! You gain access to an **[Advanced]** move from your -CRACY tree!

100 **LUX**: You've created an absolutely MONSTROUS **FIEFDOM**, worthy of the Heiress herself! You gain one final move, **[Basic]**, **[Advanced]**, or **[Ultra]**, from your -CRACY tree. If you take the **[Ultra]**, you don't gain any HERO MODE benefits, but it does not take up an **[Ultra]** slot. Sexy!

ARISTOTAGONIST

[Cerulean][Free][Recharge: 3][Unlock: Marquis]

[Fiefdom 5 LUX - ARISTOCRACY]

Yaaaaahkyahahaha! Nobility, baby! You got that! Stacks of cash? Got it. Loyal servants? Got it? Rapiers and puffy shirts? Got it, got it, got it. The world is yours!!!!!!! Whether you're a pirate, a princess or a celebrity, you're definitely sure of one thing- you're the best thing out there, baby!! You have the **Rich** Wealth level rather than **Well-Off**. You are **[Talented]** at **+HUB**. Any time someone else in an encounter uses a **+HUB** move, you get a burning need to outperform them; you get a +1 to your next **+HUB** roll as you remind them of your aristocratic excellence. This effect can be stacked up to a max of +3 on a single **+HUB**
