

Commission Info & Terms of Service

1. Commissioning Info

I write story commissions that range from SFW to NSFW, though the latter is more common. When opening commissions the first to come is the first to be served and so on. Those commissioning will be alerted when work on their story starts and will be given updates throughout the process to guarantee satisfaction.

Turnaround time for these stories are fairly swift: Stories ranging from **1,000 – 3,000** words take about **2-3 business days** to complete. Stories **5k or more will take more time**, the more words the longer it takes to complete the story in full.*

*Note that weekends and holidays should not be counted. As I am doing these stories solely on my own there is time needed for the purpose of rest and spending time with friends/family. I may take a break on weekdays as well but not while someone's commission is in progress. Please feel free to ask about the status of your commission and you will be updated in a timely manner.

2. Updates and Communication

As stated before, updates during the writing process are free of charge. This is to make sure you are satisfied with the product and to clear any confusion or mistakes that would have come up on my end.

The most common form of update is being sent a Google Doc link to the story's progress so far. It will be linked via the means of communication being used. For major changes after the story is complete, a minimum fee of \$10.00 is required.

The best way to contact me is through Discord (DiamondDog#0813). Other forms such as the website's native private messaging are available as well.

3. Commission Pricing

As of 2024, pricing is \$20 per 1k words.

Commission Pricing Examples:

2k Words/ 4 Pages: \$40

3k Words/ 5 Pages: \$60

4k Words/7 Pages: \$80

5k Words/ 9 Pages: \$100

4. Writing Compatibility

My specialty is writing **male/male** interactions.

Male/female interactions are possible for me but I cannot guarantee it will be of the same caliber due to me not having the same passion or interest in those kinds of pairings.

Female/female interactions on a large scale will not be accepted by me on the grounds of very low interest and not being able to portray their interactions in a satisfying manner.

In the case of kinks I can write many things but here's some of my specialties:

-Size Play/Size Difference

-Domination/Submission

-Musk/Scent Play

-Watersports

-Incest

-Foot Fetish

I would recommend searching my gallery for anything you're looking for, but you can also ask if I am able to write something and I will give you the appropriate answer.

Not Allowed:

-Scat

-Gore

-Horror

-Death/Snuff

-Castration
