Draft Post

- Did you know that only 37% of high schools serving primarily Black and Latinx students offer dual enrollment? It's time to close the equity gap and ensure access for ALL students.
#DualEnrollmentForAll #EquityInEducation
- Dual enrollment empowers students to earn college credits while still in high school, unlocking opportunities that save time and money and pave the way for a brighter future in the workforce. Let's advocate for simplified applications, guaranteed credits, and robust partnerships between high schools and colleges. #CloseTheOpportunityGap
- By 2030, all high schools in California should offer dual enrollment programs. Universal access means a brighter future for our students and communities. Join us in achieving our north star goal.
#UniversalAccess #Vision2030
- Only 37% of CA high schools serving 75%+ Black/Latinx students offer dual enrollment. Let's change that together! #DualEnrollmentForAll #EquityInEducation
- Dual enrollment empowers college readiness, reduces tuition costs, and fosters stronger career pathways. Let's inspire ALL students to have access to these opportunities!
#CloseTheOpportunityGap
- Universal dual enrollment by 2030 is our "north star" goal that can be reached with the right policies. Let's come together to champion equality in education today! #Vision2030

For Practitioners (Teachers, Counselors, School Staff)

- Facebook/Instagram:
"Dual enrollment has the power to transform lives! As educators, we witness how earning college credit in high school fosters confidence and creates new opportunities for students. Let's champion equitable access so that every student, especially those underserved, can thrive.
#DualEnrollmentForAll #EquityInEducation"
- Twitter/X:
"Every high school deserves the opportunity for dual enrollment. Together, we can forge equitable pathways to success for ALL students. #CloseTheOpportunityGap
#DualEnrollmentForAll"
- LinkedIn:
"As a [teacher/counselor], I believe dual enrollment is a transformative tool that empowers our students on their journey to college and career success. Through simplified applications,

guaranteed credits, and equitable access, we can pave the way for their futures. Let's unite in support of these vital reforms! #Vision2030 #DualEnrollmentForAll"

For School Districts and Community Colleges

- Facebook/Instagram:
"We're proud to partner with local high schools to offer dual enrollment opportunities, but there's more work to do! Universal dual enrollment will help ALL students—regardless of background—gain the skills they need for success. #UniversalAccess #CloseTheOpportunityGap"
- Twitter/X:
"Dual enrollment prepares students for college and careers while building equitable access to higher education. Let's expand these opportunities for all California students! #DualEnrollmentForAll #Vision2030"
- LinkedIn:
"Our college has witnessed the profound impact of dual enrollment, breaking down barriers to higher education for underrepresented students. By supporting legislation for universal access, we empower every student to reach their full potential. Let us unite in this crucial advocacy for change. #EquityInEducation"

For Nonprofits and Advocacy Organizations

- Facebook/Instagram:
"Equity in education is non-negotiable. Dual enrollment allows underserved students to earn college credits in high school, saving money and boosting readiness. We stand behind reforms to expand these programs for ALL students. #DualEnrollmentForAll #EquityInEducation"
- Twitter/X:
"Together, we can empower Black and Latinx students by simplifying access to dual enrollment programs and breaking down barriers. Let's rise to the challenge and close the opportunity gap! #EquityInEducation"
- LinkedIn:
"Dual enrollment is a critical tool for addressing systemic disparities in education. With universal access, underrepresented students will gain the opportunity to succeed in college and beyond. Support these reforms today! #Vision2030 #UniversalAccess"
