For Internship year electives

Send an email to internship@ksu.edu.sa with the following:

An email body where you introduce yourself, your request, and the dates you intend to join.

An official letter from your university which includes:

- Your personal information
- The rotation you intend to join for example " Neurosurgery elective and the dates on which you intend to join the department "
- Your GPA
- KKUH's name should be mentioned in the letter
- the neurosurgery division is under the Department of Surgery please note that in the letter too.

If they do not respond, please visit the surgery department offices on the old campus of the College of Medicine at KSU. (3rd floor), you will find that they have received your request and hopefully processed it.
