Principal, Anna M. Young
Associate Principal, Willie L. Williams, Jr.

Dear Glendale-River Hills School District Families,

On the evening of Wednesday, April 24, 2024, Glen Hills Administration learned that the driver on school bus route 207 experienced a medical emergency, resulting in her temporarily losing consciousness. This caused the bus to begin to veer into the oncoming lane posing a dangerous situation for all riders. Fortunately, what easily could have resulted in tragedy was avoided due to the quick thinking of 8th Grade Student, Acie Holland III.

Acie recognized that the driver was not responsive so he rushed to move her foot off the gas, applied the brake, and securely parked the bus. He contacted 911 and ensured younger students were okay and instructed them to contact their parents. He also sought out his grandmother, who is a nurse, to support the situation. The driver regained consciousness and called Riteway dispatch, who sent their safety team and an alternate bus driver to complete the route.

The Glen Hills school community could not be any prouder of Acie. The compassion and leadership that we see him exhibit daily was taken to the next level on his bus ride home yesterday. We are grateful that all of our Glen Hills students are safe and are wishing their driver a healthy recovery.

In partnership with you,

Ms. Anna Young
Principal
Glen Hills Middle School

Acie Holland, III
8th Grade Glen Hills Student
