2. Fix you / Coldplay

When you try your best, but you don't
succeed

When you get what you want, but not
what you need

When you feel so tired, but you can't
sleep

Stuck in reverse

And the tears come streaming down
your face

When you lose something you can't
replace

When you love someone, but it goes
to waste

Could it be worse?

Lights will guide you home

And ignite your bones

And I will try to fix you

And high up above or down below

When you're too in love to let it go

But if you never try, you'll never know

Just what you're worth

Lights will guide you home

And ignite your bones

And I will try to fix you

Tears stream down your face

When you lose something you cannot
replace

Tears stream down your face

And I

Tears stream down your face

I promise you, I'll learn from my
mistakes

Tears stream down your face

And I

Lights will guide you home

And ignite your bones

And I will try to fix you

And high up above or down below
End jái áp abáv or dáun bilóu

When you're too in love to let it go
Wen yór tú ín lóv tu lét it góu

But if you never try, you'll never know
Bát if yú néver trái, yul néver nóu

Just what you're worth
Yóst wát yór wérth

Lights will guide you home
Láits uil gáid yú jóum

And ignite your bones
End ignáit yór bóonz

And I will try to fix you
End ái uil trái tu fíks yú

Tears stream down your face
Tíars strím dáun yór féis

When you lose something you cannot
replace
Wen yú lúus sám-thing yú cánat
rip-léis

Tears stream down your face
Tíars strím dáun yór féis

And I
End ái

Lights will guide you home
Láits uil gáid yú jóum

And ignite your bones
End ignáit yór bóonz

And I will try to fix you
End ái uil trái tu fíks yú
