

# ***STACKS ON STACKS ON STACKS***

Work with your group to build each of the stages. The only rule for this task is that each member may **ONLY** touch the string. That is, nobody may touch the rubber band OR cup(s). When your group successfully builds each stage, call your facilitator over. They will evaluate and provide you with the next stage.

Below is Stage One.

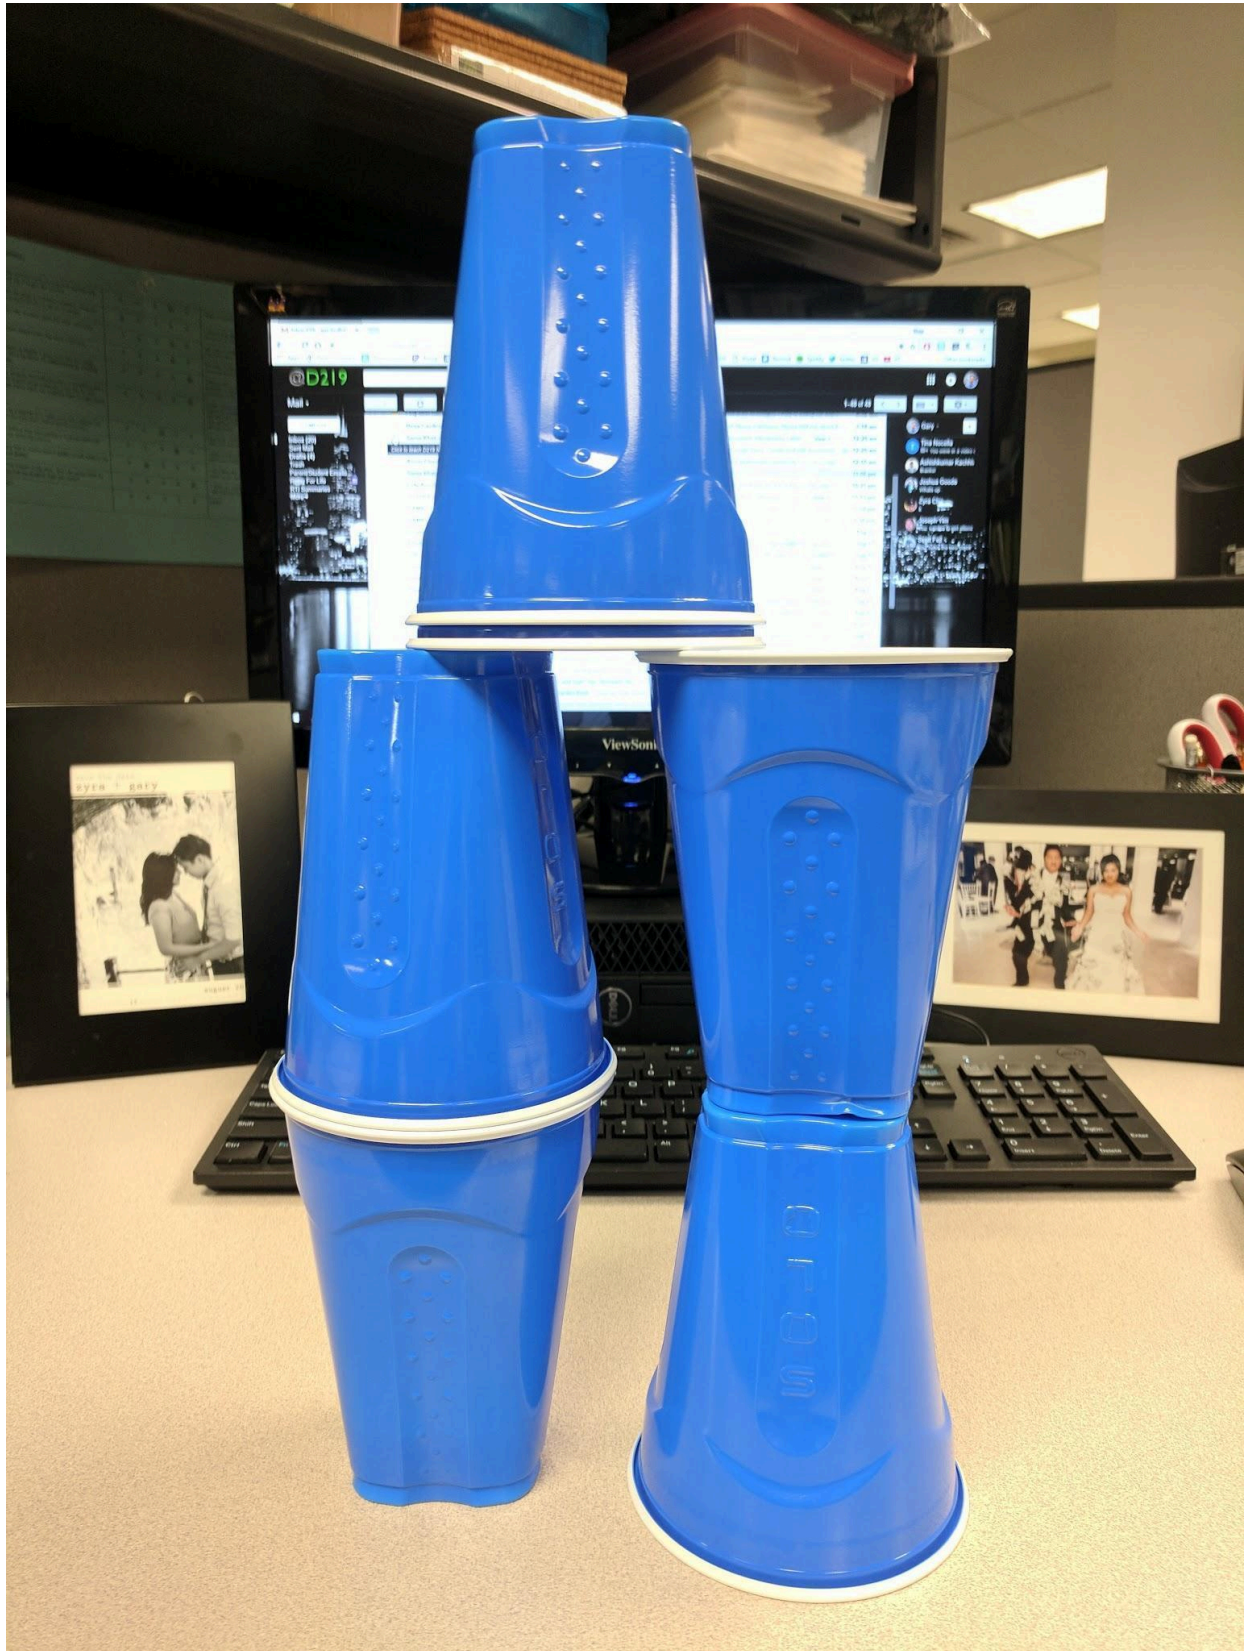

Stage Two

### Stage Three

## Stage Four

## Stage Five
