Audition

I walk down the loneliest road, A road unfamiliar, A road of pain, ..and despair. (Take a second and pain in your voice) I walk down this road in misery...I've lost everyone.. with no purpose,no direction.... I am here, all alone. Like the road, I am broken, I am.... (Pain and defeated) I am, nothing any more.... All that's left in this world is painUn..bearable.Pain.. Hatred casted us on fire, Rage brought this war to each one of us. And this War.. this war finished the job, it unleashed Hell. It brought out the devil.(Mad) This War stole my family! from me! Killed everyone I've ever loved!! (Mix mad and sad)And they laid breathless victims to a war they did not start. (Sigh/defeated) So I too will lay breathless to this war... As I

walk down this road, I understand that this road leads down a path... This path is clear to me now, it's... the only way...This path, is death.In death there is no sting, there is no victory. My death is a means to an end of a life that has already passed. But in death I will finally not be alone anymore.

This whole planet is dead, everyone...everyone's gone. I can't I can't leave this place, I was born here, I began to walk here,I learned to live here.

The war that took my family from me. Killed everyone I've ever loved. And just as my loved ones lay breathless victims to a war they did not start. I too will lay breathless to a war I did not start. For now I walk alone just me and the road

I can't leave this place Levi, I just can't. This place, Reach is the only home I've ever known.

(Angry) No! I have made it too far to be stopped now! I will not die today!

(fearful) So what happens when that ship gets closer?

(Sad) I lost them..... everyone

(Happy) I never thought we'd get here. But we did it...We did it!

(Cocky) Oh, will you?

(Angry) You bastards took everything from me!!

(Sad) You know, I can still see them.... I can still hear their voices
scream out for their sins to be forgiven. For someone come save
them from all of this.

So I never caught your name, I'm Aaron.
