

ACADEMIC WORKSHOP
Ms Wolf

2025-2026

The primary goal of Academic Workshop is to assist students in succeeding in their general education classes. Students will be expected to bring in materials from their classes each day to work on during group instruction and independent learning. Each class will begin with a review of upcoming assignments posted on Google Classroom, followed by completing your assignment log.

Other goals of this course include:

- To create a structured space to work on homework/classwork
- To foster study skills
- To increase organization and time management
- To help build positive relationships with peers and school staff
- To create and reflect on school goals

Class Rules:

- All members of the class will be treated with respect and courtesy at all times.
- Students will come to class on time.
- Students will come to class prepared and ready to participate.

Grading:

Academic Workshop is a Pass/Fail class. Students will earn a daily Citizenship Grade based on the following criteria:

Scoring Rubric	On-Time (1 pt): Students will be on-time for class.	Preparedness (1 pt): Materials needed for class	Upstanding Behavior (1 pt): Students will respect others, use kind words, and act appropriately.	Technology (1 pt): Technology does not inhibit students' engagement during class time.	Participation (1 pt): Students will be an active part of the class.
