A. Author Declaration:

In submitting this manuscript (the “Work”) to the Journal published by Indonesian Applied Physics Letters, I hereby warrant, on behalf of myself and my co-authors, that:

1. My co-authors authorize me to enter into these arrangements;
2. I am/we are the sole author(s) of the Work and have full authority to enter into this agreement in granting rights to Indonesian Applied Physics Letters, we are not in breach of any other obligation;
3. The work is original, has not been formally published in any other peer-reviewed journal, is not under consideration by any other journal and does not infringe any existing copyright or any other third-party rights;
4. We accept that the editor’s decision to publish or reject our Work shall be final, that the editor is under no obligation to provide any reasons for rejection, and that we shall have no claim against the editor, title owner or publisher resulting from any actual or perceived loss as a result of a rejection;
5. All listed authors have contributed significantly to the Work and preparation of the Work, and they have seen and approved the content, authorship and affiliations, and order of author representation;
6. The Work contains nothing unlawful, libelous, or which would, if published, constitute a breach of contract or confidence or commitment given to secrecy;
7. I/we have taken due care to ensure the integrity of the Work. To my/our - and currently accepted scientific - knowledge, all statements contained in it purporting to be facts are factual;
8. Any formula or instruction contained in the article will not, if followed accurately, cause any injury, illness or damage to the user;
9. Any research in this Work done on humans or animals (if applicable) adheres to currently applicable and internationally recognized ethical standards and that recognized ethics committee approval for the research was obtained;
10. Any/all personal, employment or commercial affiliations, stock or equity interests or patent-licensing arrangements that could be considered to pose a conflict of interest regarding the submitted Work (which may potentially prevent them from executing and publishing unbiased research) have been disclosed to the editor or in the manuscript;
11. We have explicitly identified, credited or referenced the author(s) of data or material taken verbatim from another person’s work, and we have referenced other authors’ work or ideas, including our own, even if the work or the ideas are not quoted verbatim or paraphrased, regardless of the origin or the format of dissemination of the work;
12. We have obtained permission for the use of any material in the Work (e.g. graphs and images that are not in the public domain) that may be under

copyright to others, including unpublished material;

13. We accept full responsibility for (a) the payment of any article processing charges/publishing fees (APCs), if applicable, unless our APCs have specifically been waived, even if we have transferred the responsibility for the payment to a third party, and (b) for all costs incurred by Indonesian Applied Physics Letters, or any paid APCs, if the manuscript/article was retracted before or after publication, and (c) for any galley change fees (GCFs) when we, the author(s), introduce new changes to the text after the typesetting of an article. We also accept that only one invoice shall be issued per article (no splitting of invoices) to expedite publication and keep costs to a minimum.

B. Publication and user license, copyright and disclaimer:

If the Work is editorially accepted for publication, I, and all co-authors, understand and agree that:

1. Copyright of this journal is possession of the Editorial Board, by the author's knowledge, while the publication's moral right belongs to the author.
2. The legal formal aspect of journal publication accessibility refers to Creative Commons Attribution-Non Commercial-Share alike (CC BY-NC-SA). (<https://creativecommons.org/licenses/by-nc-sa/4.0/>)
3. The articles published in the journal are open-access and can be used for non-commercial purposes. Other than the aims mentioned above, the editorial board is not responsible for copyright violation
4. The publisher, editors and title owner or the Journal accept no responsibility for any statement or opinion expressed by any other person in this Work. Consequently, they will not be liable for any loss or damage sustained by any reader due to their action upon any statement or opinion in this Work.
