If you score higher than 10 you can take either:

- MAT 1010 (followed later by STT 2810 for the major Stats requirement)
- or you can simply take Statistics (STT) 2820, which covers both the Gen Ed Quantitative Literacy requirement and the major Stats requirement.

First-Year Student Course Recommendations:

1. Enroll in **PSY 1200***
2. R C 1000 or UCO 1200 if there are seats available. If not, it's fine to take both classes in the spring semester.
3. MAT 1010 or Statistics 2820 (see Placement info above)
4. A course from the Sustainability & Climate Literacy category (SCL)**
5. A course from the Intercultural Literacy category (ICL)**

*PSY 1200 will count as your Humanity & Its Systems category (HUM) course, as well as your Social Science (SS) designation.

**Keep in mind that you will need to fulfill the FA, HS and LS designation requirements, so look for interesting courses in these categories with these designations
