Sixth Form Updates

Dear Sixth Form Parents and Students,

I hope this letter finds you well. I wanted to take a moment to reflect on last week's AEO University Tour, which was a great success. It was fantastic to see so many of our students engaging with university representatives, asking thoughtful questions, and exploring their future pathways. I was also delighted to see many parents attend and get involved in the conversations, making the most of the opportunities available. Thank you for your participation!

Upcoming University Fair

I would like to inform you that we will be hosting another university fair next Friday, 4th October, focusing on universities from the U.K., Ireland, and Australia. This event will take place from 1:45pm to 3:25pm, and I warmly welcome all parents to join us. As always, please remember to sign in at reception upon arrival.

Sixth Form Team Building Trip

Today, we held our much-anticipated Sixth Form Team Building Trip at Putrajaya Recreational Park. Students took part in a variety of water sports, including kayaking, paddleboarding, and pedal boating. It was fantastic to see them stepping out of their comfort zones, trying new activities, and forming new friendships. The day was a great success, and I'm sure the students have returned with some wonderful memories.

Introduction to IPQ

I'm pleased to share that our Year 12 students have been introduced to their IPQ lead, Dr. Tracy Ghomashchian, who will be guiding them through the Independent Project Qualification. Dr. Ghomashchian will be conducting lessons and helping students discover research projects they are passionate about, providing them with a unique opportunity to explore their interests in-depth.

School Photos Next Week

Next week, we will be carrying out school photos. Thursday will focus on Sixth Form photos and our whole school photo. Once the photos are available for purchase, we will inform parents as soon as possible. If you would like any sibling photos to be taken, please let the school know so we can assist in organising them.

As always, if you have any questions or need further information, please don't hesitate to get in touch. I am always happy to assist.

Kind regards,

Mr. James Welburn

Head of Sixth Form | King Henry VIII College
