

## Privacy Policy

Effective Date: 18 Jun 2023

At **Puzzle - Number Shooter**, we prioritize your privacy and are committed to maintaining the security of your personal information. This Privacy Policy outlines how we handle data when you interact with our game. Please read this policy carefully to understand our practices regarding your privacy.

### 1. Information We Do Not Collect

We want to assure you that **Puzzle - Number Shooter** does not collect any personal data or personally identifiable information (PII). We do not require you to provide any personal information such as your name, email address, or location to play our game. We do not collect, store, or transmit any data to external servers or third-party services.

### 2. Automatically Collected Information

While we do not collect any personal information, please note that certain non-personal information may be automatically collected when you interact with our game. This information includes:

- a. Device Information: We may collect information about the device you use to access our game, such as the device model, operating system, and unique device identifiers. This information is solely used to optimize the game experience and ensure compatibility with various devices.
- b. Local Storage: Our game may utilize local storage on your device to store game settings, preferences, or progress. This data remains within your device and is not transmitted or shared with us or any third party.

### 3. Third-Party Services

Our game does not integrate or use any third-party services that may collect your personal information. We do not include any links or functionalities that would direct you to external platforms or services.

### 4. Security

We take reasonable measures to protect the integrity and security of your information within our game. However, please be aware that no method of transmission over the internet or electronic storage is 100% secure, and we cannot guarantee absolute security.

### 5. Children's Privacy

Our game does not target individuals under the age of 13. We do not knowingly collect personal information from children. If you believe that we may have inadvertently collected information from a child under 13, please contact us immediately, and we will promptly delete the information.

#### 6. Changes to this Privacy Policy

We may update this Privacy Policy from time to time, and any changes will be effective when we make the revised policy available within the game. We encourage you to review this Privacy Policy periodically to stay informed about how we handle your information.

#### 7. Contact Us

If you have any questions, concerns, or requests regarding this Privacy Policy or our data practices, please contact us at [miftakhularzak@gmail.com](mailto:miftakhularzak@gmail.com).

By using our game, you agree to the terms outlined in this Privacy Policy. If you do not agree with any part of this policy, please refrain from using our game.

Thank you for choosing **Puzzle - Number Shooter** and trusting us with your privacy.
