What's Happening in Upper AIG Groups?

Welcome to quarter 4 of the 2023-2024 school year! I am so grateful to have had your student in AIG groups this year! Check this message board below for any updates I can provide you with for the upper AIG program here at Watts in this final stretch. Find your adventurer's identified subject area(s) to see what we're working on, look at any enrichment opportunities (either in school or outside of school) available, and any news I can share for the AIG program. Please don't hesitate to reach out to me via email at kristi_krocke@dpsnc.net with any questions you may have!

All groups that meet with Archmage Krocke are working at their instructional level on the following concepts this quarter: • Depth and complexity with fiction and non-fiction texts. • Vocabulary development- roots, prefixes, suffixes • End of year final project: Infographics on a topic of choice.	**4th grade math students are meeting with Archmage Krocke and working at their instructional level on the following concepts this quarter:** • Finishing Tiny Homes blueprint project • Geometry • EOG Review for all 4th grade math domains

Other Enrichment Opportunities

News

• Spark Camp Registration	• Students who are nurtured will continue to have their data monitored, and any letters for additional testing for add on identification or initial identification will be sent home in the middle/end of May depending on scheduling.
