

Access Apps

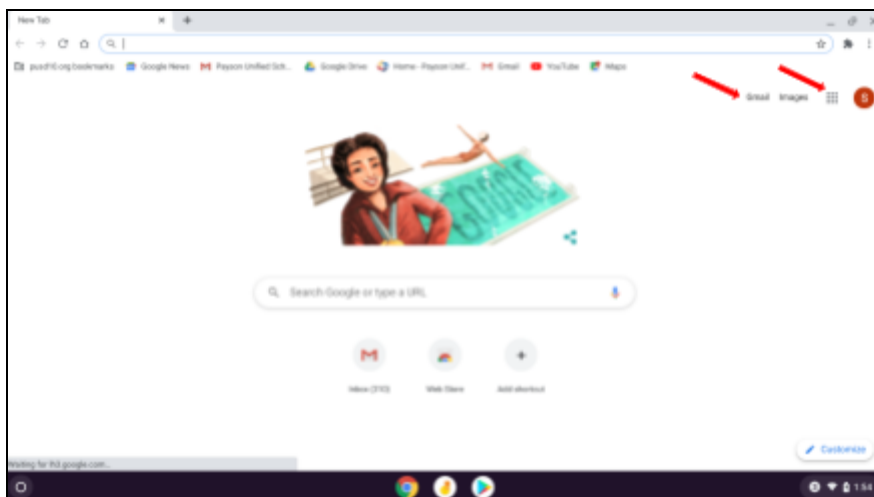

Instructions

Once logged into the Chromebook with PUSD credentials, students can access Google and other apps used by the district.

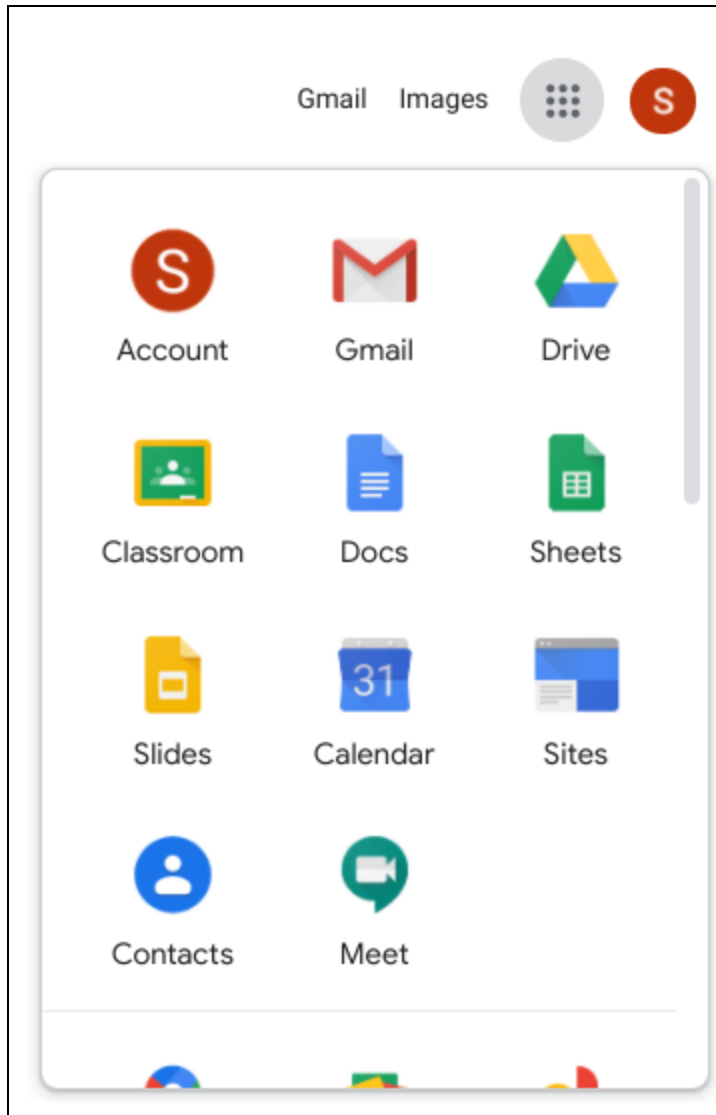

1. Click on the **Google Chrome** icon.

2. Click Gmail to access email messages.
3. Click the Waffle menu* to view additional apps.

4. Choose the app you want to access.

*Close up view of the Waffle menu for reference.
Use the scroll bar on the right side to view additional apps.
