San Antonio Math Include

Provide Greater Access to STEM Education to All Students

Poonacha C.

Tutor
San Antonio Math Include

Poonacha was part of the Class of 2022 at Basis Shavano. He has always been passionate about mathematics from a young age. He is extremely interested in tutoring others, and it has always been an interest of his. His favorite subjects are Calculus, Physics, Computer Science, and Programming. He has participated and done well in HOSA (Health Occupations Students of America) while also co-founding a computer science club at his school. He is very excited to teach in SAMi since he believes it is an excellent organization that gives opportunities to teach others mathematics. Poonacha is part of the UT San Antonio Class of 2026.
