

Privacy Policy

Pulse App

As used in this Privacy Policy, "Pulse" refers to all websites, mobile sites, applications, and other properties or services owned or operated by "Pulse". By accessing and/or using this "Pulse" website or any "Pulse" product or service available on or through this website, you are accepting the practices described in this Privacy Policy. "Pulse" strongly believes in keeping your personal information confidential. The following policy describes what information we collect and how it is used and shared.

AUTOMATICALLY COLLECTED INFORMATION

In addition, "Pulse" may collect certain information automatically, including, but not limited to, the type of mobile device you use, your mobile devices unique device ID, the IP address of your mobile device, your mobile operating system and information about the way you use "Pulse".

AUTOMATIC DATA COLLECTION

We may work with analytics companies to help us understand how "Pulse" is being used, such as the frequency and duration of usage.

We may also share encrypted versions of information you have provided in order to enable our partners to append other available information about you for analysis.

Third-party (including, but not limited to) analytics software, which collect and use information from our app to analyse advertising and users behaviour inside our app:

- Google FireBase;
- Amplitude.

USER DATA

You agree that in order to provide services to you which you have requested including relevant content, we may exchange information that we collect from you with third parties who help us perform these tasks and provide these products and

services including OpenUDID, IDFA, IDFV, vendor ID for iOS platform, Mac address, IMEI, Android ID for Android platform, ODIN1 for OS X, information about your device systems, application software and peripherals, and the country setting on the device.

CHILDREN

We do not use "Pulse" to knowingly solicit data from or market to children under the age of 13. If a parent or guardian becomes aware that his or her child has provided us with information without their consent, he or she should contact us. We will delete such information from our files within a reasonable time.

SECURITY

We are concerned about safeguarding the confidentiality of your information. We provide physical, electronic, and procedural safeguards to protect information we process and maintain. For example, we limit access to this information to authorized employees and contractors who need to know that information in order to operate, develop or improve our

Application. Please be aware that, although we endeavor provide reasonable security for information we process and maintain, no security system can prevent all potential security breaches. You understand and acknowledge that the submission of any such information by you via the Internet or posting it on non-public (restricted or private) pages is at our own risk.

CHANGES

This Privacy Policy may be updated from time to time for any reason. You are advised to consult this Privacy Policy regularly for any changes, as continued use is deemed approval of all changes. Any changes made to our privacy policy will be published on this page, containing the "last updated" date.

YOUR CONSENT

By using "Pulse", you are consenting to our processing of your information as set forth in this Privacy Policy now and as amended by us. "Processing, means using cookies on a computer/hand held device or using or touching information in

any way, including, but not limited to, collecting, storing, deleting, using, combining and disclosing information.

If you have any questions regarding privacy while using "Pulse", please contact us.
