

Annex G

Softball Ontario Umpire Insurance

Softball Ontario's Umpire Insurance Program details are outlined in the Umpire Exam Package that you received upon registration. The Insurance Policy is a Liability and Accident Benefit Policy. The following are highlights that will address most questions that you may have.

- \$5,000,000 Liability Insurance per occurrence.
- The accident insurance portion is secondary coverage to any other Government, Individual or other type of coverage in force at the time of the accident. For example, if you have accident insurance at work, you would apply under that policy first and then apply to Softball Ontario.
- This is not a loss of wage policy.
- Starting in 2020, there are two types of registration. Both Fast Pitch and Slo-Pitch or Local. If you purchase both Fast Pitch and Slo-Pitch you are covered for all games that you work. If you purchase Local, you are covered for non-sanctioned games only.
- A registered Softball Ontario umpire will still be covered under the Softball Ontario policy even if they are working with a non-registered umpire.
- Your insurance coverage starts upon receipt of your registration fee (or two weeks after Softball Ontario receives your registration fee if paying by regular cheque) and ends April 1 of the next year.
- Passing, or even writing, the annual exam does not affect your insurance coverage.

Note: you will not be assigned games in the EOUA until you have registered with Softball Ontario and consequently have insurance.
