for the writing organiser/ plan.

Reflection writing - Treaty of

Waitangi.

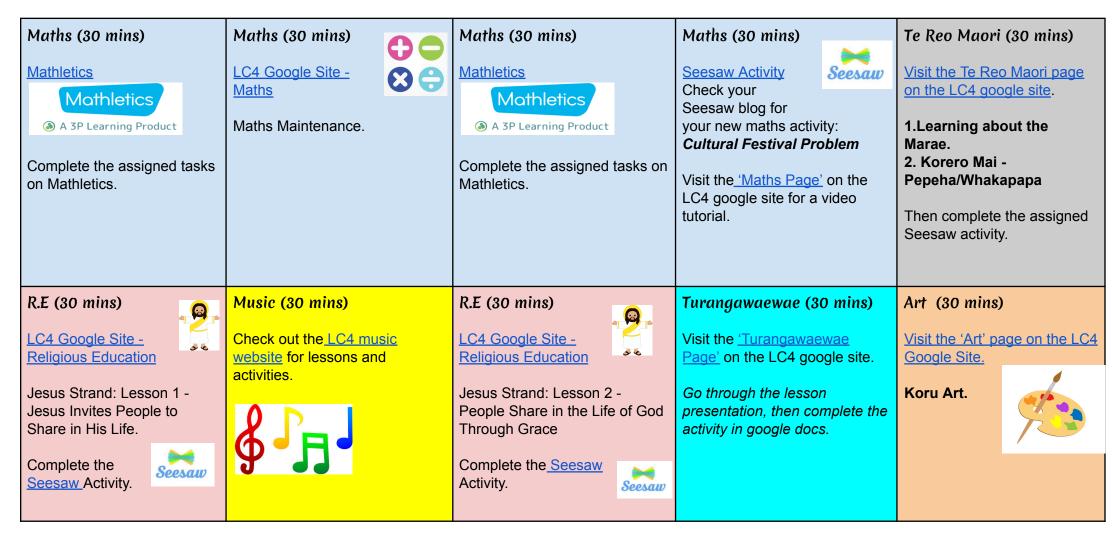

Seesaw

prompt on the website and

your writing with your

teacher.

follow the instructions. Share

While most of our learning will be online some may require pen and paper. Feel free to use what you have at home or alternatively your child can access their Seesaw or google drive and create documents to record their learning (this will also be good learning for them). *Remember that this is only a guide for you and your child.* Please adjust it to suit your individual needs.

Your child will need to have breaks or get up to walk around every now and then during learning times. This is absolutely fine.

Please ensure they get to have their morning tea and lunch breaks also as this gives them time to reset.

If you have any queries in regards to this please do not hesitate to contact us via email -
