	Self-Funded ☐	

Scholarship funded NPQ

The DfE will offer scholarship funding to the top 50% of schools in England with the highest proportion of Pupil Premium funding. The scholarship eligibility criteria for future NPQ cohorts will be confirmed on [gov.uk](https://www.gov.uk). If your school is not eligible for funding, you can still apply for the NPQ, this will however need to be self, or school funded.

We anticipate that the DfE have provided enough scholarship places to meet national demand, however, if it is the case that the full allocation of scholarship funded places has been taken the order in which the applications are received will be considered. Therefore, we recommend that colleagues apply as early as possible.

If there are several applications from one school, it may be the case that the Headteacher/Principal needs to allocate the NPQ places accordingly that come with scholarship funding attached.

Should the scholarship-funded places become over-subscribed, schools can self-fund the NPQ.

Self-funded NPQ

Prior to completing this application form, please ensure that you have spoken to the Chair of Governors or Executive Leader, and they have agreed to self-fund the NPQ.

If the NPQ will be funded by the school, please provide details below for invoicing.
