

A listening conference is a 10 minute meeting where I just listen. You can spend 10 minutes telling me anything about your child and family that you think will help me be the best teacher I can be for your child.

Please list your name(s) and your child's name in the time slot you would like for a listening conference!

If none of these times work for your family please email me directly to find a time that works!

Please specify if you would like a zoom conference
(Unless specified all conferences will happen in room 123)
