A. experiment	B. experiments	C. experimentatio	n D. both B & C

## Ex 4: Circle A, B, Cor D to choos ethe most suitable word form to complete the passage.

When faced with somenew and possibly (1)..... technological change, most people (2)..... in one of two ways. They either recoil from anything new, claiming that it is unnecessary, or too compleated or that it (3)...... Makes life less than (4)..... Or they learnt to adapt to the new invention, and eventually wonder how they could possibly have existed without t. take computers s an example. For many of us, they still represent a (5)...... To our freedom, and give us a frightening (6)...... of a future in which all decisions will be taken by machines. This may be because they seem (7)....., and difficult to understand. Ask most people what you can run a home computer for, and you usually get (8)..... answer about how 'they give you information'. In fact, even those of us who are fmiliar with computers, and use them in our daily work, have very little idea of how they work. But it does not take long to learn how to operate a business programme, even if things occasionally go wrong for no (9).....reason. (10).....much the same happened when the telephone and the television became (11)........ What seems to arlarm most people in the speed of (12)...... change, rather than change itself. And the (13)..... that are made to new technology may well have a point to them, since change is not always an improvement. As we discover during (14)... cuts, there is a lot to be said for games, that don't have to be plugged in to work.

1.	A. bewilder	B. bewildered	C. bewilderment I	D. bewildering
2.	A. act	B. active	C. react	D. reaction
3.	A. somewher	B. somehow	C. someday	D. somewhat
