

Directions for students accessing SMES Google accounts from home

There are 2 ways to access the SMES Google account for students:

1.

- Go to google.smes.org
- STUDENTS USE: studentid@smes.org (ie: 2023455@smes.org)

ST. MARGARET'S
EPISCOPAL SCHOOL

Sign in with your organizational account

Sign in

- Type the password in the password box and sign in

2.

Alternatively, if you are already signed into Google with a personal account, you can click on your profile icon in the top right corner and select “**Add Account**”. Enter the student login information and then from that point on, you can toggle between your personal and school accounts. Always check to make sure you are using the correct one.
