

Session 02:

Exploring Future of Evaluation

The Academic Symposium on M&E Education presents a pivotal Keynote Session: “The Future of Evaluation in the Changing Global Context.” This session will feature insightful speeches and expert moderation, addressing the urgent challenges in evaluation amidst global shifts. Our esteemed speakers will explore the importance of strengthening evaluation practices to tackle these issues effectively.

Featuring:

- ♦ Prof. Reinhard Stockmann, Director, Center for Evaluation, University of Saarland, Germany
- ♦ Ms. Ada Ocampo, President, International Development Evaluation Association
- ♦ Mr. Timothy Lubanga, Commissioner for M&E, Office of the Prime Minister, Uganda
- ♦ Tetyana Nikitina, Monitoring & Evaluation Professional

This session will delve into how M&E education equips professionals to respond to complex global contexts.
