Jesus, the Christ! eternal Word!

- 1. Jesus, the Christ! eternal W ord! Of all creation Sovereign Lord! On Thee alone, by faith we rest; And lean our weakness on Thy breast.
- 2. Thy blood hath wash'd us from our sin; Thy Spirit sanctifies w ithin! And Thou for us, in all our need, At God's right hand dost ever plead.
- 3. O keep us in the narrow way, That ne'er from Thee our footsteps stray: Sustain our weakness; calm our fear; And to Thy presence keep us near.
- 4. And be it thus till th at blest day, When God shall wipe all tears away.

 " Quickly"—'tis promis'd in the word;
 E'en so. Amen. Come quickly, Lord!
