Dear ATS Parents and Guardians,

We hope this letter finds you well. With Spring Break scheduled for April 14th - 21st, this month is going to go very quickly. Also, I don't want to get ahead of myself, but it seems we may be in the clear of any other school cancellations so our last day will be June 13th with 8th Grade Graduation taking place on June 12th.

On March 27th, our band and chorus students participated in the Del Val Arts Festival. Despite the delayed opening which threw the schedule off slightly, our band, chorus and arts students had a successful day and performed beautifully. Thank you for continuing to support arts in our community!

I am sure we don't need any reminding, but the 8th Grade trip to Washington DC will be taking place on April 24th and 25th. More information will be coming out as we get closer so please keep your eyes open, it will be here before we know it.

It is finally showtime! Moana Jr.'s opening performance is set for Friday, April 4th at 7:00 pm in the lower gym. The entire drama club has been putting in countless hours of rehearsal and stage prep to make this a truly memorable performance. Student previews are set for Wednesday and Thursday. Please use this [link](#) to purchase tickets in advance. If you have never been to one of our performances you are in for quite a treat. If you are a veteran of our shows, you know the talent which will be on display. We hope to see you this weekend and "thank you" in advance for your continued support of our arts programs.

We would like to congratulate all of our 5th -8th grade students who made the High Honor Roll and Honor Roll for the first trimester. We are very proud of this accomplishment and are fully confident this list can continue to grow. Please use this link to see [Honor Roll and High Honor Roll Students](#). Great Job!

Kindergarten registration is STILL open! Alexandria Township residents who have children five years old on or before October 15, 2025 are eligible to register for Kindergarten in the 2025-2026 school year. Please use the following [link](#) to begin the pre registration process. If you have any questions, contact the ATS Main Office at 908-996-6811 ext. 2201.

Though we are a couple of months away from generating class lists for next year, we are beginning to collect input. The goal of this process is to place students in classrooms which will provide them the opportunity to grow academically and socially. Class dynamics, gender balance and academic needs

are central to placement decisions. Given the complexity of the process, it will not be possible to make requests that students be placed with specific teachers. However, parents may write me a letter stating specific needs that your child has, which may be considered when placing your child. Letters need to be received by Friday, May 16, 2025.

April 24th is Bring Your Child to Work Day. If you plan on having your child spend time with you at work on Thursday, April 24th please complete the [attached form](#) and return to the main office at your earliest convenience.

Please make sure to check out the [ATS Virtual Backpack](#) for further information regarding district and community events.

As always, thank you for your continued support and we hope you have a relaxing Spring Break.

Sincerely,

Kevin McPeck
