Hello! My name is Kelli Farless and I am an Assistant Principal at Stratford High School! I am aware of the impact that your business has in our community and would love to help you further your reach to consumers by joining forces for this upcoming 2024-2025 school year!

Our partnership will aid your business in reaching more prospective consumers! You choose how far reaching your name goes based on the sponsorship level you choose!

Our partnership will better prepare our 2700+ students to be college and career ready. We have focused our financial goals for the 2024-2025 school year to include the following:

- **Creating Makerspaces:** A makerspace is a collaborative work space for making, learning, exploring and sharing that uses high tech to no tech tools. These spaces are open to students and staffulty and have a variety of art supplies, a writing center, printer, poster maker, etc. Makerspaces foster entrepreneurship.
- **Random acts of appreciation:** Staff and students will randomly be provided with a snack/meal/drink or SHS branded item.
- **Renaissance Program Support:** Our Josten's Renaissance program focuses on building the climate and culture of our school. Renaissance recognizes and rewards our students for excellent Behavior, Attendance, Grades, and Character, while also supporting our Staffulty through recognition and reward for going above and beyond for our students. Renaissance recognitions are held monthly at our Renaissance Breakfast, quarterly through our Bag Tags, and each semester at our Renaissance Rallies.
