

To access your child's Individual Student Report for GMAS, please follow the steps below:

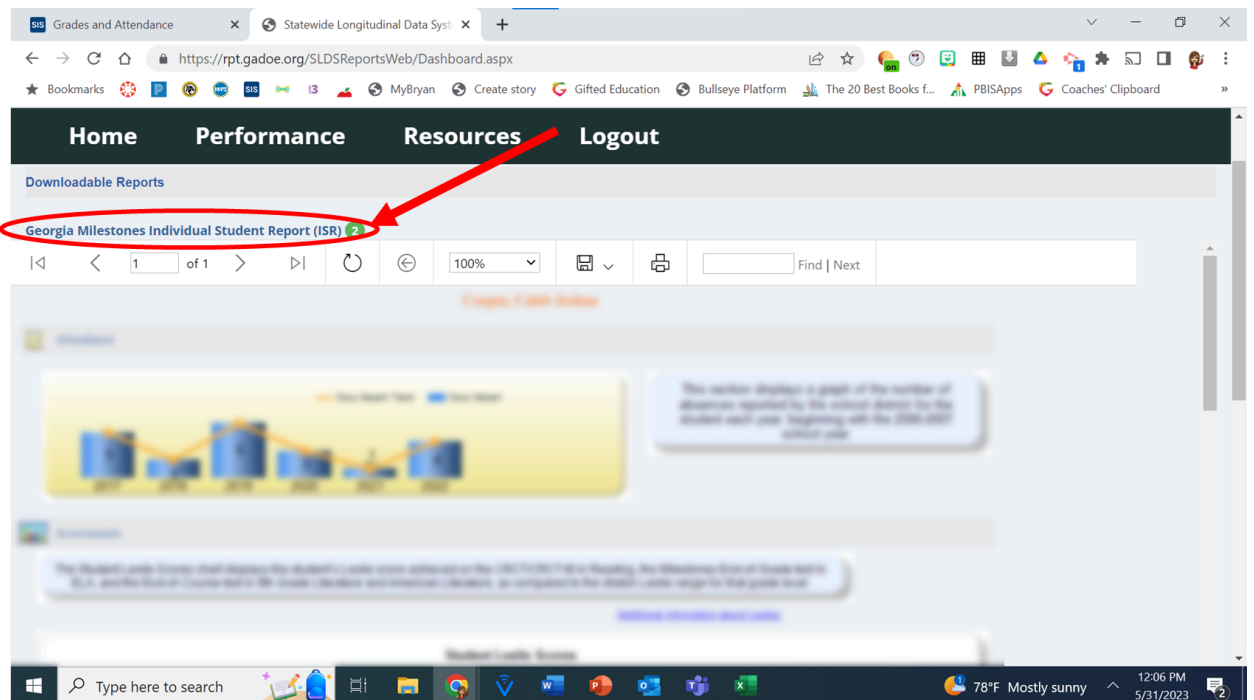

- Login to the PowerSchool Parent Portal
- On the left hand side of the screen, select "Georgia LDS"

- Select the student you wish to review data for from the drop down menu. Select "Performance."

- This screen will share all available data for your student including MAP and GMAS data. To view GMAS data, select “Georgia Milestones Individual Student Report (ISR)”.

- This will display all former GMAS Individual Student Reports. Select the year that you would like to review and download the form.
