Society has changed in many ways (36) the introduction of computer and people's lives at home and at the office have (37) affected. Most people are working for fewer hours per week than they (38) to, and manufactures and advertising agencies are becoming much more interested in (39) people spend this extra leisure time. One recent report stated that (40) the number of hobbies had not increased, each hobby had become much more specialized. A second finding is that nowadays, many managers would (41) spend time with their families (42) stay late in the office everyday. Home life is seen to be just (43) important as working. Some companies make managers take their annual holidays even if they don't (44) to, because this leads to (45) improvement in their performance if they have some rest.
