

Wacky Winterfest 2024!

Lincoln families - We are excited to present Wacky Winterfest! This annual school carnival is a family friendly event scheduled for Saturday, February 24th from 11 AM to 2 PM. We raise funds at our school to support our students, families and teachers! We would like to provide some information for families who may be new to the fun!

Why do we sell tickets? We ask our students to sell tickets to friends and families as a way to raise money. Each \$1.00 ticket gives the buyer a chance to win one of ten \$100 prizes (Amazon, Amigos, Bike Tech, Blue Barn, Casey's, Fareway, Kwik Star, NinjaU, Sidecar Coffee, Target,). We hold our drawing at the end of the event in our Gym. Winners need not be present in order to win. Students will sell tickets from February 9th through February 23rd. We set goals as a school and celebrate with incentives. In addition, classes also set goals.

What can you do at Winterfest? Each of our first floor rooms will have carnival games for our families to enjoy! Game cards may be purchased prior to the event for \$5.00. Money may be sent to school with your child any day between February 9th through February 23rd and game cards will be sent home with the student that day. Game cards may also be purchased at the event. Students can redeem their game cards for small prizes!

What other fun can we have at Winterfest? In addition to carnival style games, face painting, bingo and more; families can eat lunch (our menu will be announced closer to Winterfest). Student bands, under the direction of Mrs. Droe, will also be performing in our Gym during Winterfest! The event is fun for all ages!

How can I help? Thank you for asking! You can help your student(s) safely sell tickets to family and friends, sign up to work a shift running one of our carnival games (shifts are 90 minutes), you can make a donation to help with costs, you can volunteer to help count tickets and money during our ticket sales window and you can invite friends, family and neighbors to join us on February 24th! You can sign up to help using this QR code:

Thank you for supporting our students and school! See you at Winterfest!
