

Beginning on May 15, 2022, all new Toll-Free numbers must be verified before sending traffic. Any **existing Toll-Free numbers running traffic on your account must be verified by September 30, 2022.**

It now looks like it doesn't matter if you use Toll Free or 10 digit its all going to need to be registered in some type of fashion.

Toll Free-

You must submit the following to Twilio support for verification.
