Share a Digital Badge

Overview

This tutorial will explain how to share a digital badge.

Quick Steps

Receive email > Click Create Account or Download the Badge > Log in > Quick Links > Share Badges on Social Media

Step 1

Open the email that you received notifying you that you have earned a badge. The sender is Winthrop University (noreply@badgr.com) and the subject line is “Congratulations, you earned a badge!”

Step 2

There should be two buttons at the bottom of the email message to Create an Account or Download the badge. Click on either button, depending on whether you already have an account. When creating an account, be sure to use the same email address where you received the email notification.

Step 3

Log in and follow the instructions on how to share your badge.
