

Lay students in the M.Div. program must earn a total of **82 credits** distributed among the various areas as directed below.

1 Course in ecumenism, interreligious dialogue, or another religious tradition is required prior to completion of the MDiv.
3 Justice & Diversity (JD) courses are required, each from a different Area of Study. JD courses can be used for electives of requirements.

Please use this sheet to track the courses taken towards the degree requirements.
