

Discussion 4: Roots of Global Inequality, Decolonization and Resistance

To prepare for this discussion, consider the content provided in Chapter 5 that discusses concerns that foreign assistance, humanitarian aid, and /or development projects can be harmful to receiving nations. You might want to focus on:

- colonization and neocolonization,
- the globalization of trade and financial systems,
- mixed impacts of foreign assistance,
- humanitarian aid, and development,
- or the Green Revolution.

Step One

In your first post:

Explain which of the concerns stand out to you as more problematic. Explain: Why? Be sure to make direct reference to sections of Chapter 5 in your discussion.

Step Two

For your second and third post:

Read two classmate's offerings and either add to what they describe as problematic or offer an alternative view.

For full credit:

- Be sure to post on two different days
