

Privacy Policy for +note mobile app

As **+note** is not connected to servers or internet, the app does not collect any users' personal information, therefore it cannot disclose it.

+note app may request access to:

- Storage
- Camera
- Microphone

Also, it may ask users to:

- Ignore battery optimization
- Run at startup
- Run foreground service
- Control vibration
- Prevent phone from sleeping
- android.permission.SCHEDULE_EXACT_ALARM

Any enquiries should be sent to:

plusnoteapp@gmail.com
