

The Pulliam residence hall does not have “dorm rooms”. It has four **single** bedrooms that open into a common suite, with a couch and two chairs.

There is also a kitchenette with a fridge, a stove and a microwave. *Each suite of four bedrooms has a common bathroom and shower.*

Please be aware that the kitchenette does not include any dishes, glasses, utensils or pots and pans. You will have to bring anything you want to use from home.

We recommend that you use the opportunity to stay together with friends, or that you allow other attendees to share the suite with you. (You each have a private bedroom.)

However, you can rent an entire suite to yourself for a higher fee.

Fees are: Single - \$97 for the weekend, Shared suite - \$76 each for the weekend (2-4 people)
