

## Two Important Yearbook Updates

### Update #1

Sales are now underway for the 2020-21 McKelvie yearbook. This year's theme is "**A Year Like No Other**" and will contain lots of great memories from this school year.

Yearbooks cost **\$25** each and, due to Covid precautions, the easiest and safest method of ordering is online. The link for online ordering is below and on the reminder postcard that your student brought home (fully remote classes will be notified by remote teachers). **Sales end on Wednesday, April 21, 2021.**

<http://jostensyearbooks.com/?REF=A05015700>

If you are unable to order online, students may pick up an order form in the main office. Checks should be made payable to "McKelvie Intermediate School".

### Update #2

We need your help gathering a candid photo of your student! Because we do not have clubs this year, we do not have Yearbook Club students taking candid photos. Therefore, we'd love it if you could submit the Google Form (use the link below) with **ONE** candid photo of your child. If you have multiple students at McKelvie, please submit one form per student. **Note:** You will have to have a Google account to upload a photo to the form, so if you do not have a Google account, please ask your student to submit the form using his/her school Google account.

Please keep in mind that any photos deemed school-inappropriate (backgrounds, gestures, inappropriate clothing, etc) will not be included in the yearbook and the submitter will not be notified. Thank you for your assistance in creating a great yearbook in this unprecedented year. **Deadline for submission of candids is Friday, March 26, 2021, no exceptions.**
