FACULTY POSITION
INSTITUTE OF BIOCHEMISTRY AND MOLECULAR BIOLOGY OF NATIONAL TAIWAN UNIVERSITY COLLEGE OF MEDICINE

National Taiwan University College of Medicine in Taipei seeks experienced and qualified candidates for a tenure-track faculty position (assistant professor or higher levels) in the Institute of Biochemistry and Molecular Biology. All candidates must hold a Ph.D. degree in disciplines relevant to biochemistry and molecular biology, with a minimum of one-year postdoctoral research experience and an outstanding record of research accomplishments. Candidates are expected to establish an independent and internationally competitive research program and have the ability to teach effectively.

Qualified Applicants are Invited to Submit:
1) Curriculum vitae including education, teaching and research experience, honors and awards received, and a statement of research achievements and the date of birth.
2) Two or more recommendation letters from assistant professor or above (recommenders should send their letters directly to the following address before the application deadline).
3) Research proposals.
4) List of complete publications (arranged by year of publication).
5) PDF files of the representative publications (one to four papers).

Application Deadline: Dec. 31, 2024

Application materials should be e-mailed to biochem@ntu.edu.tw (No hard copy)
