Edwardsville Tennis Academy

The ETA is for competitive tennis players ages 8-18. Players enrolled in this program are *expected to take part in match play on a regular basis*. Participants usually have USTA District and possibly Sectional rankings. The comprehensive training includes play sessions, drills, mental training, goal setting, strength, and plyometrics. Court groups will be divided by skill level & experience.

Orange & Green ball players will have fitness incorporated into their daily practices. The EHS workouts will only be for Yellow ball players this summer. ALL Orange & Green ball players are at one site and will practice match play throughout the summer.

Private Lessons

All ETA tennis professionals are available for private or semi-private lessons. Private lessons are recommended for all players and can be arranged by players/parents with the pro of their choice; see the program page for brief bios and contact information. Rates vary and are conducted at a location arranged by the professional and client.

Junior Team Tennis

ETA members may also be invited to join our competitive JTT teams. We compete against schools/clubs in the St. Louis area. Both singles & doubles are played, and coaches are on the court providing feedback throughout the matches. A separate invite will be sent for JTT.

Rain Out Policy: Five rainout dates will be scheduled per summer. Dates missed due to bad weather exceeding these cannot be made up. However, players may arrange to make up classes in a subsequent week if space is available. The decision to cancel class due to weather will be made one hour before class starts when possible. Cancellations and makeup dates will be posted on our website. <https://dlipe0.wixsite.com/davelipe/summer-tennis>. If classes are rained out in-progress, students will be in the building by the courts or under the pavilion at EHS; at Liberty, they will wait inside the doors on the backside of the building.
