

## Crochet Poppies Pattern

You will need:

G Hook  
Worsted Weight Yarn  
Yarn needle

Written in US Terms:

Ch = chain  
Sl = slip stitch  
Sc = single crochet  
Dc = double crochet  
Tr = treble crochet

Round 1: ch 10

Round 2: Join w a sl to form a large ring

Round 3: ch1, 10 sc into ring (=10sc)

Round 4: (to form petals) sc, dc, tr, dc, sc in each one of 10 sc stitches. (10 petals made) sl st to join end. Weave in ends.

\* Note: The 10 ch in the first round to make the large center ring was the perfect size to squeeze the bobble through and then sew the flowers on with my yarn needle and long ends from ending the flowers.

If you do not need a large center hole just chain less than 10 before you join it into a ring and then make 10 sc into that ring you do create. :)
