

Teen Network Board

Welcome to the first-ever edition of the Teen Network Board (TNB) newsletter! This newsletter is an opportunity for community members to stay in the loop of the Board, as well as learn about upcoming TNB and community events.

During the summer, despite being off, our teens attended two community events: Lubber Run Community Center's reopening and the Arlington County Fair. Both events were an opportunity for TNB to inform the Arlington community of our work, and to encourage high schoolers to apply.

This month, we're excited to welcome 36 new members to the Board, and welcome back 32 returning members *in person* after a whole year of being virtual! We'll use September 2021 to bond, connect with our community, and to plan events and initiatives for the coming year.

We look forward to an exciting, productive year and we cannot wait to tell you more each month!
